Solemnity of the Annunciation

To the Clergy, Religious, and Lay Faithful of the Diocese of Lincoln

Dear Brothers and Sisters in Christ,

On this day, over two thousand years ago, the most splendid conversation in history took place. *The Angel of the Lord declared unto Mary, and she conceived by the Holy Spirit.* Today is the day of the Incarnation. The day when God became flesh in the womb of the Virgin Mary. If you ever travel to Israel and visit Nazareth, there is a small house in the Church of the Annunciation where it is thought that the Annunciation took place. This spot is immortalized by the words "HERE the Word became flesh."

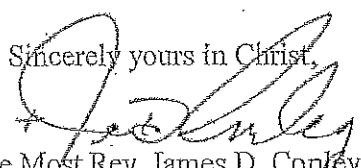

The perennial teaching of the Church is that life begins at conception and this Solemnity gives credence and weight to that teaching. Today we celebrate the day when Jesus was conceived in the womb of the spotless Virgin Mary, today is the day He took on our flesh, became one with us and chose to dwell among us forever. Today's Solemnity is inherently a *pro-life* feast.

It is for this reason, that I am pleased to announce a new pro-life initiative in the Diocese of Lincoln, which I pray will bear much fruit in each of our parishes. *Walking With Mom's in Need* is an initiative of the United States Conference of Catholic Bishops (USCCB) and it seeks to turn each parish community into an oasis of hope for women in extremely difficult and often confusing situations.

This initiative asks each parish to form their parishioners by helping them recognize a mother in a difficult situation, so that she is tangibly and emotionally supported by her parish community. Often times in these moments of great trial, we can feel completely isolated. Yet, in our Lord's providence, the parish community should be so prepared that in moments of great agony and pain, we find the greatest comfort and support amongst our fellow parishioners, who are walking this journey of life together with us as God's family.

Over the next few months, special resources will be made available to parishes and communities. I ask all of us to be cognizant of these materials so that we are ready to help our neighbors, coworkers, and family members in their time of trial. Being pro-life encompasses being pro-woman; recognizing the beauty and sacredness of the life growing within her womb and walking with her in her time of need. With my prayers for you, I remain

Sincerely yours in Christ,

The Most Rev. James D. Conley
Bishop of Lincoln
