A note from the Nebraska Catholic Conference: On April 6, the Nebraska Legislature failed by a mere two votes to advance LB933, a bill to protect preborn life from conception when Roe v. Wade is overturned. We are incredibly grateful to every individual who prayed, advocated, shared, or otherwise supported LB933. Please continue to advocate for Life, both in the political and pastoral spheres. We will keep working towards a Nebraska that celebrates, values, and protects all human life.

Church doors locked: This is a notice that beginning on Easter Sunday night, St. Mary's church will be locked each night from **10:00 pm to 5:00 am**. If you are in the church building during those hours you will still be able to leave! Locked doors will include doors to St. Joseph adoration chapel. Instructions for access to the chapel for overnight holy hours will be posted in the chapel this week. The locks and cameras for the church have been implemented for added protection over the beautiful restoration work you have accomplished these past 7 years. We apologize for any inconvenience this might cause.
